LEE-BARRINGTON PUBLIC INFORMATIONAL MEETING
PAVING, GUARDRAIL AND DRAINAGE WORK ON 4.4 MILES OF NH 125

The New Hampshire Department of Transportation announces a combined Public Officials/Public Informational Meeting will be held Tuesday, April 20, 2004 to present and discuss planned improvements to 4.4 miles of NH Route 125 in Lee and Barrington.

This project begins at the Lee Traffic Circle at US Route 4 and proceeds north approximately 4.4 miles to just south of the intersection of NH Route 9. The work consists of paving, replacing old guardrail and improving the drainage along NH Route 125.

The April 20 public meeting to display the current concept and obtain input will be held at the Barrington Public Safety Building, Route 9 in Barrington, New Hampshire. It will begin at 7:00 PM and be followed by a question and comment period.
